

SPORT AND RECREATION POLICY

Rationale:

The participation in sport and physical activity by students and staff has positive and far reaching benefits for the individual and the wider school community.

Purpose:

The school will endeavour to:

- 1 Provide the best possible sporting experience for all NPGHS students so as to encourage lifelong participation in sport.
- 2 Provide a wide range of sporting and recreational opportunities that meet the social, emotional and physical needs of all students.
- 3 Utilise the facilities and resources of the school, and wider community, to ensure that all students are given every support in their sporting and recreational endeavours in a safe and positive environment.
- 4 Promote and encourage good sporting behaviour, good decision making, leadership, achievement, skill development and social interaction by students.
- 5 Provide equal opportunities for students with special needs to participate in sport.
- 5 Establish strong links between Sport and the Physical Education and Health Curriculums so that students are encouraged to develop healthy lifestyles and lifelong healthy attitudes.
